The **Havit** is a high performance range that quality, from the hand finished sanitary ware, approved cistern fittings, to meeting all European (CE) quality standards. Which is why we are proud to offer a 5 year Guarantee with each product*. With **Havit** you get more than a functional solution for your bathroom, each piece has been designed to fit with the demands of modern luxury living. Thoughtful features such as quick release seat hinges to allow easier cleaning, soft closing seat and drawer mechanisms and anti-bacterial surfaces set the range apart. All **Havit** cistern fittings are set at 6/3 litre flushing capacity, but with an eye on the environment, WCs with the **Havit 'Eco'** marque means you can use as little as 4/2.6 litres when flushing, without compromising the effectiveness of the flush.
